

Northern Territory of Australia

Public and Environmental Health Act 2011

COVID-19 Directions (No. 12) 2022: Directions to lock out Amoonguna

I, Hugh Crosbie Heggie, Chief Health Officer, under section 52 of the *Public and Environmental Health Act 2011* (the **Act**), consider it necessary, appropriate or desirable to take action to alleviate the public health emergency in the Territory, declared by instrument entitled "Declaration of Public Health Emergency" dated 18 March 2020 (the **public health emergency declaration**), by making the following directions:

Part 1 Preliminary matters

- 1 These Directions take effect at 12:00 (noon) on 13 January 2022 and remain in force until the earlier of:
 - (a) 12:00 (noon) on 18 January 2022; or
 - (b) the public health emergency declaration ceasing to be in force.

Note for direction 1

The period the public health emergency declaration is in force has been extended under section 50(2) of the Public and Environmental Health Act 2011. These Directions remain in force during the periods of extension.

- 2 In these Directions:
 - approved** means approved by the Chief Health Officer.
 - essential business, activity or service** means a business, activity or service provided by an essential worker.
 - essential worker** means a person who is declared in the Schedule to be an essential worker for the purpose of these Directions.

exclusion zone means a specified area of the Territory:

- (a) determined by the Chief Health Officer from time to time; and
- (b) published on the website coronavirus.nt.gov.au.

health practitioner means:

- (a) a person registered under the Health Practitioner Regulation National Law to practise in a health profession (other than as a student); or
- (b) an audiologist or a speech pathologist.

lockout area means the area specified in direction 3.

person in authority, in relation to a place, business, activity, service or premises, means any of the following:

- (a) the occupier of the place or premises;
- (b) the proprietor of the business;
- (c) the person conducting the activity or service;
- (d) if the person referred to in paragraphs (a) to (c) cannot be identified – the person who appears to be in charge of the place, business, activity, service or premises.

*Note for definition **proprietor***

*The term **proprietor** is defined in the Act.*

social distancing measures means the measures required under direction 35.

the public, in relation to a place, business, activity, service or premises, includes a customer or member of the place, business, activity, service or premises.

vaccinated or exempt, in relation to a person, means the person:

- (a) has received at least 2 doses of a COVID-19 vaccine approved by the Therapeutic Goods Administration, Commonwealth Department of Health; or
- (b) has received an approved number of doses of a COVID-19 vaccine

recognised by the Therapeutic Goods Administration, Commonwealth Department of Health for the purposes of travel to Australia; or

- (c) is under the age of 16 years; or
- (d) has a certificate issued by the Commonwealth that certifies that the person has a permanent or temporary contraindication to all approved COVID-19 vaccines.

*Note for definition **vaccinated or exempt***

For vaccines see: [International COVID-19 vaccines recognised by Australia | Therapeutic Goods Administration \(TGA\)](#)

- 3 These Directions apply in and to the Locality of Amoonguna.
- 4 Every person who enters the lockout area while these Directions are in effect is subject to these Directions.
- 5 These Directions do not apply to a freight worker who is subject to my COVID-19 Directions (No. 132) 2021, or any subsequent Directions that replace and substantially correspond to those Directions.
- 6 If these Directions are inconsistent with an advice, order or notice under the *Notifiable Diseases Act 1981*, the advice, order or notice prevails to the extent of the inconsistency.

Example for direction 6

*A person may be ordered under the *Notifiable Diseases Act 1981* to isolate for longer than the quarantine period or to undertake a specific course of medical treatment.*

- 7 To avoid doubt, my COVID-19 Directions (No. 4) 2022, or any subsequent Directions that replace and substantially correspond to those Directions, apply to any person who is notified by an authorised officer or health practitioner that the person is infected with COVID-19.
- 8 To avoid doubt, these Directions do not limit a right under section 71(1) of the *Aboriginal Land Rights (Northern Territory) Act 1976* (Cth).

Part 2 Restrictions on movement

Division 1 Stay at home – persons not vaccinated or exempt

- 9 A person who is not vaccinated or exempt and residing in the lockout area must not leave the premises where the person resides except for the following reasons:
- (a) to receive medical treatment, including testing or vaccination related to COVID-19;
 - (b) if the person is an essential worker and the person is unable to attend to the person's essential functions from the premises where the person resides – to attend the person's workplace or any locations required in the course of employment;
 - (c) if the person is not an essential worker – a single visit to retrieve a computer or work materials from the person's workplace in order to work from the premises where the person resides;
 - (d) to obtain goods or services from an essential worker or from an essential business, activity or service;
 - (e) to engage in outdoor exercise under the following conditions:
 - (i) no more than one hour in total per day; and
 - (ii) within 5 km of the premises where the person ordinarily resides, but not outside the lockout area; and
 - (iii) in the company of no one other than the following:
 - (A) if the person resides alone – one other person;
 - (B) if the person does not reside alone – one or more of the other persons residing at the same premises;
 - (f) to provide care or support to a family member or another person in the lockout area who is unable to care for themselves due to health, age or disability;
 - (g) to provide care to an animal that is unattended;
 - (h) to drop off or pick up a child for child care in the lockout area;

- (i) in an emergency;
- (j) to escape a risk of harm, including harm relating to family violence;
- (k) to remove or escape a hazard, including a dangerous or diseased animal;
- (l) for purposes relating to the administration of justice, including attending:
 - (i) a police station; or
 - (ii) a court or other premises for a purpose relating to the justice or law enforcement system;
- (m) if otherwise required or authorised by a law of the Territory or a law of the Commonwealth;
- (n) to attend a funeral with no more than 9 other attendees in total, not including persons providing the funeral services;
- (o) if the premises in which the person resides is in an area where there is no waste collection for the premises – to travel directly to deposit waste at a waste management facility;
- (p) if the person is the parent or guardian of a child – to take the child to another parent or guardian of the child at a separate premises, whether or not there is a formal arrangement in place in relation to the custody of the child;
- (q) to exit the Territory.

Note for direction 9(q)

My COVID-19 Directions (No. 136) 2021 apply in relation to a person who wishes to exit a lockdown area or lockout area to leave the Territory.

- 10 If a person who is not vaccinated or exempt resides in more than one place, the premises where the person resided when the lockout commenced are the premises where the person must remain for the duration of these Directions, unless the person is a child to whom direction 9(p) applies.

- 11 If person who is not vaccinated or exempt resides in commercial visitor accommodation:
- (a) subject to paragraph (b), the person's room, not any other area of the accommodation, is taken to be the premises where the person resides; and
 - (b) if the room where the person resides is shared accommodation – the person may access common areas of the commercial visitor accommodation.

Note for direction 11

People must wear face masks and keep 1.5 m distance when using shared facilities like toilet blocks or laundries in commercial visitor accommodation.

- 12 Subject to direction 13, direction 9 does not apply to a person who:
- (a) does not reside at any premises; or
 - (b) resides at premises that are temporarily unavailable because of a risk of harm, including harm relating to family violence.
- 13 If suitable premises are made available to a person referred to in direction 12 who is not vaccinated or exempt:
- (a) those premises are taken to be the premises where the person resides for the remainder of the period these Directions are in force; and
 - (b) direction 9 applies to the person.

Division 2 Restriction on gatherings

- 14 A person who is not vaccinated or exempt must not enter any residential premises at which the person does not ordinarily reside in the lockout area unless the person is entering:
- (a) for medical purposes, including delivering medical supplies, providing medical care and providing testing and vaccination related to COVID-19; or
 - (b) to provide care or support to a family member or another person who is unable to care for themselves due to health, age or

- disability; or
 - (c) to transfer a child to another premises in accordance with direction 9(p); or
 - (d) in an emergency or for another urgent reason; or
 - (e) for purposes relating to the administration of justice.
- 15 A person who is not vaccinated or exempt in the lockout area must not permit another person to enter the premises where the person resides unless the other person:
- (a) also resides at those premises; or
 - (b) is entering in accordance with direction 14.
- 16 A person who is not vaccinated or exempt in the lockout area must not arrange to meet, or organise or intentionally attend a gathering with, one or more other persons at a place other than the premises where the person resides in accordance with direction 14 or 15.
- 17 Direction 16 does not apply to:
- (a) a person specified in direction 18(a) who is performing functions or duties in the lockout area; or
 - (b) a person who:
 - (i) is not vaccinated or exempt; and
 - (ii) left the premises where the person ordinarily resides for a reason allowed under direction 9, other than paragraph (e) (exercise); and
 - (iii) is complying with direction 9.

Division 3 Restrictions on exiting the lockout area

- 18 A person must not exit the lockout area unless the person is:
- (a) one of the following who is performing a function connected with the person's official work or returning to the person's residence after performing a function connected with the person's official work

in the area who returns a negative result after submitting to an approved COVID-19 testing procedure before exiting the lockdown area:

- (i) an authorised officer;
 - (ii) a person performing functions under the Act or the *Notifiable Diseases Act 1981*;
 - (iii) an essential worker who is vaccinated or exempt; or
- (b) a person infected with COVID-19 who is required to isolate in a place outside the area; or
- (c) a person who an authorised officer suspects on reasonable grounds is infected with COVID-19 who requires testing or assessing for infection with COVID-19 at a place outside the area; or
- (d) a person required to exit the area under another law of the Territory or a law of the Commonwealth; or
- (e) a person who entered and remained in the area for a reason allowed under direction 9, other than paragraph (e) (exercise), and who is exiting the area to return to the person's place of residence; or
- (f) a person exiting the area for a reason allowed under direction 9, other than paragraph (e) (exercise), that could not otherwise reasonably be achieved; or
- (g) any other person who is vaccinated or exempt

Note for direction 18

COVID-19 Directions (No. 136) 2021 allow other persons to exit the lockdown area to leave the Territory.

19 After exiting the lockdown area and while these Directions are in effect, a person must:

- (a) take all reasonable steps to stay 1.5 m away from any other person; and

- (b) wear a face mask in accordance with directions 31 and 32; and
- 20 A person who exits the lockout area and enters an exclusion zone in accordance with my COVID-19 Directions (No. 3) 2022 (as amended), or any subsequent directions that replace and substantially correspond to those Directions, must comply with Direction 21 during the shorter of the following periods:
- (a) the 14-day period after the person exits the lockout area;
 - (b) the period these Directions are in effect.
- 21 The person must, while in the exclusion zone:
- (a) wear a face mask in accordance with directions 31 and 32; and
 - (b) practise regular hand hygiene by washing hands or using hand sanitiser; and
 - (c) practise social distancing measures; and
 - (d) if the person is an essential worker entering the exclusion zone for the purposes of work, the worker must self-administer an approved rapid antigen COVID-19 testing procedure every day while in the exclusion zone.
- 22 A person may transit through the lockout area if:
- (a) the person travels on a major thoroughfare that transits through the lockout area; and
 - (b) the person is only stopping for food, fuel, medical necessity or accommodation and does not enter premises unrelated to those purposes; and
 - (c) the person wears a face mask in accordance with directions 31 and 32; and
 - (d) the person practises regular hand hygiene by washing hands or using hand sanitiser while in the lockout area; and

- (e) the person practises social distancing measures while in the lockout area.

Note for direction 22

When entering a venue a person must use the Territory Check In application or give the person's contact information to a person in authority at the venue. See COVID-19 Directions (No. 35) 2021.

Part 3 Restricted access to places, activities and services

23 The person in authority of a place, business, activity, service or premises in the lockout area must take reasonable steps to ensure that no member of the public enters the place, business or premises or begins the activity or service without providing:

- (a) evidence that the member of the public is vaccinated with at least 2 doses of a COVID-19 vaccine approved by the Therapeutic Goods Administration, Commonwealth Department of Health; or
- (b) evidence that the member of the public is vaccinated with an approved number of doses of a COVID-19 vaccine recognised by the Therapeutic Goods Administration, Commonwealth Department of Health for the purpose of travel to Australia; or
- (c) a certificate issued by the Commonwealth that certifies that the member of the public has a permanent or temporary contraindication to all those approved COVID-19 vaccines.

Note for direction 23(b)

For vaccines see: [International COVID-19 vaccines recognised by Australia | Therapeutic Goods Administration \(TGA\)](#).

24 A member of the public who cannot provide the evidence or certificate required under direction 23 must not enter the place, business or premises or begin the activity or service.

25 Directions 23 and 24 do not apply in relation to any of the following:

- (a) an essential business, activity or service, other than a food outlet with fixed premises;
- (b) an essential worker;
- (c) a place for the conduct of a funeral with no more than 10 funeral

attendees in total, not including persons providing the funeral services;

(d) any person who is attending a food outlet with fixed premises for takeaway only.

26 To avoid doubt, these Directions do not prohibit a person from providing or conducting a service or activity electronically or online.

27 For these Directions, a person in authority may request, use and disclose immunisation information that is protected information under section 22(2) of the *Australian Immunisation Register Act 2015* (Cth).

28 A person in authority must:

(a) destroy any copy of the evidence or certificate given to the person under direction 23 as soon as practicable, but in any case no later than 48 hours after the evidence or certificate is given; and

(b) ensure any copy of the evidence or certificate is secured against access by any person for any purpose other than a person or purpose specified in paragraph (c); and

(c) ensure that any copy of the evidence or certificate given to the person is not disclosed, except to an authorised officer when requested for the purpose of compliance or enforcement of these Directions or contact tracing in relation to COVID-19.

29 To the extent of any inconsistency with my COVID-19 Directions (No. 8) 2022 (as amended) or any subsequent Directions that replace and substantially correspond to those Directions, these Directions prevail.

Part 4 Face mask, testing and social distancing measures

30 Subject to direction 32, a person must wear a face mask while in the lockout area.

31 The person must wear the face mask securely over the person's nose and mouth.

- 32 A person is not required to wear a mask if the person:
- (a) is at the premises where the person resides; or
 - (b) is in a private vehicle that is not being used for commercial purposes or is alone in a commercial vehicle; or
 - (c) is a child:
 - (i) under the age of 12 years; or
 - (ii) attending primary school, while at school; or
 - (d) has a physical or mental health illness or condition, or disability, which makes wearing a face mask unsuitable; or
 - (e) is communicating with another person who is hearing impaired and visibility of the mouth is essential; or
 - (f) is asked to remove the face mask to ascertain their identity; or
 - (g) is requested by a health practitioner to remove the face mask in order to enable the practitioner to administer treatment to the person; or
 - (h) must remove the face mask in an emergency; or
 - (i) is a teacher, educator or child care worker in a school or child care facility who removes the person's mask for the purposes of teaching or child care activities; or
 - (j) is engaged in exercise or sport or is swimming; or
 - (k) is eating or drinking or, if the person is vaccinated or exempt, the person is seated at a venue that serves food or beverages.
- 33 A police officer or an authorised officer may:
- (a) request a person who is not wearing a mask as required by these Directions to state the person's reason for not doing so; and
 - (b) if the person claims to have a physical or mental health illness or condition, or a disability, that makes wearing a mask unsuitable – require the person to produce evidence to support that claim.

- 34 A person who self-administers a test under these Directions must:
- (a) use a rapid antigen test approved by the Therapeutic Goods Administration; and
 - (b) follow the manufacturer's instructions on storage and administration of the test; and
 - (c) after taking a test, retain photos of the test result, the packaging displaying the batch number and a document identifying the person.
- 35 A person who must practise **social distancing measures** under these Directions must:
- (a) take all reasonable steps to sleep in a room or other enclosed space separate from any other person, except another person who is also subject to social distancing measures; and
 - (b) take all reasonable measures to stay at least 1.5 m away from other people, subject to an essential worker's requirements at work; and
 - (c) submit to a test or assessment for infection with COVID-19 if required by me, my delegate or an authorised officer.

Notes for COVID-19 Directions

- 1 *Section 56 of the Act provides for an offence for failing to comply with a direction given by me under section 52(3) of the Act.*
- 2 *The maximum penalty for this offence is 400 penalty units.*
- 3 *A person is not guilty of this offence if the person has a reasonable excuse.*
- 4 *An infringement notice may be given for failing to comply with these Directions with a fine equal to 32 penalty units for an individual and 160 penalty units for a body corporate.*

4 To avoid doubt, a person who provides the following health services is not an essential worker for these Directions:

- (a) cosmetic surgery or procedures that are elective and do not address significant medical conditions;
- (b) non-urgent elective surgery.

5 In this Schedule:

critical clinical care means:

- (a) to prevent a significant change or deterioration in functional independence which would result in an escalation of care needs; or
- (b) to provide assessment and diagnostic services to clients or patients for whom, if care is delayed, it is likely to result in adverse health outcomes (including access to diagnostic imaging services or assessment for prescription of assistive equipment and technology); or
- (c) to provide services that are essential as part of a broader plan of care with a medical practitioner; or
- (d) to provide services that are part of a conservative management plan to avoid or delay elective surgery (as agreed with the treating team); or
- (e) to provide services immediately following elective surgery that prevent secondary complications or aid functional recovery (as agreed with the treating team).

*Example for definition **critical clinical care**, paragraph (a)*

An increase in frequency of treatment needed, an increased need for prescription medication due to a significant increase in pain, requirement for specialist input or review, an increase in care needs, or a substantial increase to anticipated recovery time associated with a delay in receiving services.

*Example for definition **critical clinical care**, paragraph (b)*

Fitting a brace post-surgery.
