

JUST ASK • COULD IT • BE SEPSIS?

MOST CASES OF SEPSIS START IN THE COMMUNITY

Skin colour
has changed

Short wind

Feeling
really hot

Feeling
really cold

Feeling
really tired
or confused

Runny poo

Feeling sick in
the stomach

Heart beating
too fast

Not much
urine

KNOW THE SIGNS

SEPSIS IS AN EMERGENCY.

**IF YOU HAVE SYMPTOMS AND ARE WORRIED, CALL TRIPLE ZERO (000)
OR GO TO YOUR LOCAL HEALTH CLINIC OR HOSPITAL.**
